THE UNITED STATES MAGISTRATE JUDGE**

The United States Magistrate Judge made findings, conclusions, and a recommendation in this case. No objections were filed. The District Court reviewed the proposed findings, conclusions, and recommendation for plain error. Finding none, the Court **ACCEPTS** the Findings, Conclusions, and Recommendation of the United States Magistrate Judge.

Although the Court has determined that Plaintiff does not qualify to proceed *in forma pauperis*, and although Plaintiff has paid the full filing fee in a timely manner, this case is re-referred to Magistrate Judge Horan for further screening – in particular, to determine whether this case should be transferred to another judicial district.
